In Order to Hold a Puppy

We require a NON-refundable deposit of \$500 (which goes towards the purchase price) to reserve and hold your new puppy. Payment can be made by either cash, credit card or by personal check (if check will be received by us more than 2 weeks before puppy will be picked up). If paying with personal check, we will allow 4 business days for arrival of the check. After this time, we can no longer hold the puppy.

*** Do NOT pay a deposit for a specific puppy unless you have communicated with us and we have told you the puppy is available.

Final Payment

Final payment can be made either by cash, wire transfer (1 day prior to delivery), ACH/EFT (5 business days prior to delivery) or by credit card with an additional 3% fee. Final payment must be complete before receiving puppy.

Visits and Pickup

For sanitary reasons and to protect our dogs and puppies, we do not allow puppy visits before 4 weeks of age. Parvo and other contagious diseases are deadly to puppies. I will be more than happy to take additional pictures/videos to help you make a decision. All my pictures are unedited.

Arrangements for pick up of the puppy must be made by the time the puppy reaches 7 weeks of age. The puppy will not join its new family before 8 weeks of age and we are happy to hold the puppy up to 10 weeks of age with proper arrangements made ahead of time. If pickup arrangements are not made by the time the puppy reaches 8 weeks old, you will be notified and will have 24 hours to respond. If no communication is received from you regarding pickup, you will lose your deposit and the puppy will go back up for sale.

Health Guarantee

All puppies come with a 2-year health guarantee against genetic diseases. This does not include communicable diseases including, but not limited to, parvo, distemper, internal/external parasites, heartworms, kennel cough, giardia or coccidia. To the best of my knowledge, each puppy is in healthy and sound condition at the time of sale. Buyer has 72 hours from the time of pickup to have a vet check done by a licensed veterinarian. Buyer is required to have a licensed veterinarian administer remaining vaccinations needed to protect puppy from disease. Parvo and distemper vaccines must be given at 4-week intervals following first vaccines given while still in our care.

We cannot be responsible for hypoglycemia (low blood sugar) or the effects of any stress related illness due to travel/rehoming. For any puppy who is shipped, it is important to offer water and a small amount of food as soon as you get your puppy.

Males are guaranteed to have two testicles descended unless priced as "Pet Only."

All guarantees are null and void if the puppy is not kept up on its vaccinations and health visits. We are not financially responsible for the puppy once it leaves our care/Krazy K Aussies. However, we are willing to help out wherever we can. Please call us immediately with any concerns.

Temperament Guarantee

We do everything in our power to provide you with a happy and healthy puppy that does not display any aggressive attitude towards people or other animals. Puppies are handled daily and are born and raised in our home.

12 Month Temperament Guarantee: Breeder requires seller to attend puppy obedience and/or socialization classes with puppy to help provide proper socialization. If puppy does not attend obedience/socialization class the temperament guarantee is null and void.

Size Guarantee

We do not guarantee size, ear set or eye color.

Although we do our best to estimate the height of the puppy at maturity, we cannot guarantee the actual size at maturity. The Mini Aussies were bred down from Standard Sized Australian Shepherds and there can always be a recessive gene that comes out. Standard size for Miniature Australian Shepherds is 18" (at the shoulder) or shorter.

Return Policy

If you purchase a puppy from me and at anytime during its lifetime you are unable to continue to care for it, YOU MUST contact me and I will do my very best to help you in rehoming your puppy/dog. NO MONEY WILL BE REFUNDED and I will not pay a rehoming fee if you ask me to take the puppy/dog back.

Full Registration

You will receive the ASDR registration application at the time the puppy is paid for in full.

Limited Registration

Buyer agrees, with contract, that you are purchasing the puppy for pet purposes only and that the puppy will be spayed/neutered by the age of one year. You will receive the registration application once the puppy is paid for in full. The application will not have full breeding rights check marked.

Right of Refusal

We have the right to refuse the sale of any of our animals to any person for any reason at any time. If a deposit has already been made it will be refunded.
